If you are looking to get free fire diamonds and codes for making purchases in the Garena Free Fire Battle Royale Game then you are on the right page. Garena Free Fire is one of the biggest battle royale games in the gaming landscape. It is very similar to other huge battle royale games like Pubg and Fortnite. Here are all the working and available Garena Free Fire Redeem Codes 2021 to collect luxury and legendary items in Garena Free Fire for free. Like PUBG Mobile, Free Fire has also many ways to pick up premium legendary items for free in your account. You can either take it through Free Fire Elite Pass or spend money to purchase attractive & premium items. After purchasing Elite Pass of Garena Free Fire you will get cool outfits, skins & emotes and many more expensive items.

The game consists of up to 50 players falling from a parachute on an island in search of weapons and equipment to kill the other players. Players are free to choose their starting position, take weapons and supplies to extend their battle life.

When players join a game, they will enter a plane, which will fly over the island. While the plane is flying over the island, the players can jump where they want, thus allowing them to choose a strategic place to land away from enemies. After landing, the players must then go looking for weapons and utility items. Medical equipment, medium and large weapons, grenades, and other items featured can be found throughout the island. The ultimate goal of the players is to survive on the island with a maximum of 50-51 players online; this requires eliminating all opponents the players encounter along the way and ensuring that they are the only survivor remaining. The available safe area of the game's map decreases in size over time, directing the surviving players into tighter areas to force encounters. The last player or team standing wins the round. The game had received a major update on Monday, December 7 2020, that brought changes to the training ground as introduced some updated

guns.<sup>[12]</sup> The game has received next major patch update on April 14 2021 which introduced new map Bermuda Remastered permanently<sup>[13]</sup> and a new in-game weapon Kordin in this update.
