So, what are these fortnite vbucks anyways. Fortnite vbucks are the in game currency in the game Fortnite. These vbucks are needed by the players if they want to buy any in game items such as Fortnite skins or premium guns. The place where you get these in game items are inside the [Fortnite game store](#).

So then how do gamers get these coveted vbucks in fortnite.

Normally, players are expected to pay for these vbucks in the epic games fortnite store. You can buy fortnite vbucks for different prices like you can get 5000 fortnite vbucks for nearly 34\$. Similarly, you can buy different packs of fortnite vbucks. However, the problem becomes that the average age of players playing fortnite in general and the ones who generally end up buying fortnite merchandise is less than 18 years old. Now, its obvious that you can't expect a crowd of such age to have credit cards or enough money to spend on in game items when they have to live with daily school and college expenses and have student loans on their heads.

This has led to gamers playing fortnite to find alternate means of finding out ways to get free fortnite vbucks. One of the ways to get vbucks in fortnite for free is by participating in various fortnite vbucks giveaways. These giveaways are generally held by different Fortnite playing Youtube gaming channel streamers. However, an indetail look at some of these youtubers giveaways has helped us unearth

some false giveaways where these youtubers just troll their viewers and never give them any vbucks. This is highly disappointing for the gamers of fortnite who participate in these giveaways.

Other ways of getting free vbucks in fortnite is by participating in certain programs like [Google Opinion rewards](#). Google opinion rewards is an app for android and ios users. It hands out certain points to users in exchange for filling up their surveys. These points can then be redeemed to get in game currencies like Fortnite vbucks.

But such surveys offer very little in terms of points and get a lot of work done in return from you. In a way the process is extremely frustrating. So, then what is the solution. Well, the best way is to get fortnite vbucks through a website which redeems the unused fortnite vbucks codes and generates vbucks and gives it to you. Such as ours. Every year thousands of players who buy Fortnite vbucks gift cards never use it and it ends up unused. These unused codes are scanned by our fortnite vbucks scanner and then the vbucks are generated using these codes and then given to the users. To get the vbucks using our website just ensure that you are correctly following all the steps given above.
